

**REMARKS**

With entry of this amendment, claims 2-17, 19-30 and 39-46 are pending. The claims have been amended to correct a minor typographical error in the chemical formula for one of the substituents. No new matter has been added. Reconsideration is requested.

Applicants thank Examiner Marx for her courtesy and consideration during the telephonic interview held on May 15, 2006 between the Examiner and the undersigned. During the interview the Examiner pointed out the typographical error which is corrected with the present amendment.

In light of the foregoing, Applicants submit that the application is in condition for allowance. Applicants request an early indication of allowability of the present claims.

Respectfully submitted,
